

## Year 6 Trip to the Ulster Museum

On Tuesday 13<sup>th</sup> December I went to the Ulster Museum with my class. We went on the Highwayman Coach with Danny our driver. The traffic was bad and it took 45 minutes to get to Belfast.

When we arrived we met Mrs Baird, she took us to the lecture room. She talked about the Mummy Takabuti that was given by Thomas Greg. Men wore skirts in Ancient Egyptian times. We also saw the ancient pillow which was made of wood and it was uncomfortable because I tried it!

Mrs Baird showed us different artefacts, I liked the canopic jars the best.

After that we went to see Takabuti the Mummy. She looked very old. Next we saw a Japanese spider crab in the elements room. We then went to the sea life room where there was a gigantic squid.

The history room was the next stop. I played on the computer. You could write your name in hieroglyphics. There were also clothes from the past which you could dress up in.

Lunch was next, we went to the Grainger Room where we ate our packed lunches. I sat beside Victoria and Sophie.

We went to the museum shop after lunch. Mrs Milligan gave me some money and I bought a gold piece of rock.

It was time to go home, Danny was there with the coach and he drove us back to school.

I really enjoyed our trip to the museum, my favourite part was the ship. Thank you Mrs Milligan.
