

Look at this picture.  
It shows you the  
**points of the  
compass.**

**F** Look at the points of the compass and write the answers to these questions in your book.

- 1 You are looking north. Turn to the right. Which way are you facing now?
- 2 You are looking north. Turn to the left. Which way are you facing now?
- 3 You are looking west. Turn to the right. Which way are you looking now?
- 4 You are looking west. Turn to the left. Which way are you looking now?
- 5 You are looking east. Turn to the left. Which way are you looking now?
- 6 You are looking east. Turn to the right. Which way are you looking now?
- 7 You are looking south. Turn to the right. Which way are you looking now?
- 8 You are looking south. Turn to the left. Which way are you looking now?

You may want to move the book around to help you.
